1	2024 RES-133
2	EXTENSION OF FINANCING BETWEEN THE COUNTY OF DANE AND
3	THE DANE COUNTY HOUSING AUTHORITY
4	DCDHS – HAA DIVISION
5	
6	The 2022 Capital Budget included 3 million in financial assistance to the Dane County Housing
7	Authority (DCHA) to improve DHCA's financial standing. The grant allowed for DCHA to retire its
8	prior service credit obligation with the Wisconsin Retirement System and provided funds for
9	DCHA to address the capital maintenance backlog on its housing units.
10	
11	The Capital Budget resolution, 2021 RES-380 set the termination of the original agreement no
12	later than 36 months after execution. This resolution extends the deadline an additional 24
13	months.
14	
15	NOW, THEREFORE, BE IT RESOLVED that the 36 month financing deadline for the DCHA
16	2021 RES-380 be extended another 24 months.
