

**AUTHORIZING A CONTRACT ADDENDUM FOR CONVENTION AND CONFERENCE
CENTER MANAGEMENT SOFTWARE**

The Alliant Energy Center has been using the Momentus (formerly Ungerboeck) convention and conference center management software since they won the award of RFP #115054 in 2016. This software combines the functions of several different software products into one system and has eliminated the duplicate entry of data and resulted in other staff efficiencies for the Center. Momentus purchased the software from Ungerboeck and is now selling the software with a package of functionality that will allow the AEC to perform more functions with the software. This is an addendum to extend the existing contract for another five years in an amount not to exceed \$707,240.02.

NOW, THEREFORE BE IT RESOLVED, that the contract addendum with UB Holdings LLC, dba Momentus Technologies, LLC, 222 S Meramec Ave, Suite 202-1083, St. Louis, MO 63105 is hereby approved.

BE IT FINALLY RESOLVED, that the County Executive and County Clerk are authorized to sign the agreement.
