# 4- H Thriving Model

## The survey measures:

**Program Quality** (the roots on the flower), **Youth Thriving** (shorter term impact on a youth's social, emotional, and cognitive learning) and longer term **Developmental Outcomes** on 4-H youth.

The survey will not only track impact, but ensure high quality programming continues to be delivered.

# Sparks in 2024 - 2025

### UW Connections

Build relationships with other UW-Madison departments and colleagues to create more programs that spark interest in possible post-HS opportunities.

### 4-H 101

Develop an orientation program for new families so first generation families feel welcome and informed when joining 4-H. Increase new family retention.

#### New Clubs

Update new club and promotional resources so volunteers and families involved feel confident starting a new 4-H Club. Goal is to start at least one new club annually.
