- (2) Land division. The COVERED LAND may not be divided, except with the prior written approval of the HOLDERS under section I. The HOLDERS may not approve a division that is inconsistent with the purpose of the EASEMENT.
- (3) Conservation compliance. All land uses on the COVERED LAND shall comply with applicable state laws related to soil and water conservation, nonpoint source pollution and nutrient management, regardless of whether the landowner or land user receives any cost-share payment for compliance.
- (4) Land surface alteration. Any alteration to the surface of the COVERED LAND including excavation, removal or filling of the land surface shall be consistent with the purpose of the EASEMENT. Permitted alteration under this subsection is limited to any of the following:
 - (a) An alteration that is minimal in scope and impact and does not by itself or in combination with other alterations exceed one (1) acre in size. Any alteration shall be repaired to the maximum extent feasible to restore the land's potential for agricultural use.
 - (b) An alteration authorized under paragraph H (1) (b) to (g)
- (5) Residential use: No residential use is permitted on the COVERED LAND.

I. HOLDERS' APPROVAL REQUIRED

- (1) An owner of the COVERED LAND may not do any of the following without the HOLDERS' approval:
 - (a) Cover any part of the COVERED LAND with additional impervious surface or gravel. Approval of the HOLDERS is not required if the action is permitted under paragraph H (4) (a) or H (1) (g).
 - **(b)** Subdivide the *COVERED LAND*.
 - (c) Alter the land surface of the COVERED LAND in excess of one (1) acre. Approval of the HOLDERS is not required if the action is permitted under paragraph H (4) (a) or H (1) (b) to (g).
 - (d) Materially expand or alter any pre-existing use or structure on the COVERED LAND. Approval of the HOLDERS is not required if the action is permitted under paragraph H (4) (a) or H (1) (g).
 - (e) Petition the county and town boards to rezone the property to another zoning district.

- (2) A request for approval shall be in writing and shall clearly and accurately describe the proposed action. The description shall include the nature, size, scope, location, design and other material features of the proposed action, and any other information reasonably required by the HOLDERS.
- (3) The HOLDERS may approve a proposed action in response to a written request under sub. (1) if all of the following apply:
 - (a) The proposed action and subsequent land use is consistent with the purpose of the EASEMENT.
 - (b) The proposed action and subsequent land use will not violate section H.
 - (c) The proposed use will not unnecessarily convert prime farmland or cropland, will not convert the primary use of the COVERED LAND to a use other than agricultural use, and will not materially impair or limit any surrounding agricultural uses.
- (4) The HOLDERS will grant or deny a written request under sub. (1) within 90 days after receiving a complete written request under paragraph I (2). The HOLDERS may deny a request in their sole discretion, and are not required to justify any denial. The HOLDERS may grant approval subject to conditions specified in the approval. Conditions may include deadlines for the beginning or completion of a proposed action.
- (5) An approval under sub. (3) is not effective unless given by all of the HOLDERS.

J. LANDOWNER RIGHTS RESERVED

- (1) Except as provided in this EASEMENT AGREEMENT, all rights enjoyed by current or future owners of the COVERED LAND are reserved to those owners.
- (2) This EASEMENT does not limit any owner's right to use, improve, transfer, bequeath, lease, restrict access to, grant a mortgage or other interest in, encumber or convey the COVERED LAND, except as provided in this EASEMENT AGREEMENT.
- (3) The terms, conditions, restrictions and purpose of this *EASEMENT* shall be referenced in any subsequent deed or other legal instrument by which the owners divest themselves of any interest in the *COVERED LAND*.
- (4) No provision of this *EASEMENT* shall be construed as impairing the ability of the owners to use the premises as collateral for any subsequent loan, provided that any mortgage or lien arising from such a transaction must not be inconsistent with the terms of this *EASEMENT*, and must be subordinate to this *EASEMENT*.

K. EASEMENT DOES NOT CREATE PUBLIC ACCESS RIGHT

This EASEMENT AGREEMENT does not give the general public any right of access to any portion of the COVERED LAND, nor does it limit any right of public access that otherwise exists.

L. EASEMENT DOES NOT LIMIT LANDOWNER RESPONSIBILITIES

Except as specifically provided in this EASEMENT AGREEMENT:

- (1) This EASEMENT AGREEMENT does not relieve the GRANTORS, or any subsequent owners, occupiers or users of the COVERED LAND, from any responsibility or liability which they currently have or may subsequently incur in connection with the COVERED LAND.
- (2) The HOLDERS assume no responsibility for the use, management, control, operation, upkeep or maintenance of the COVERED LAND, and assume no liability for any action or omission related to the use, management, control, operation, upkeep or maintenance of the COVERED LAND.

M. ENFORCING THE EASEMENT

- (1) Any or all of the *HOLDERS*, or their authorized agents, may do any of the following:
 - (a) Upon reasonable prior notice and at reasonable times, enter onto the COVERED LAND to monitor compliance and collect evidence of noncompliance.

- (b) Issue notice of apparent *EASEMENT* violations to an alleged violator. The notice may include a demand for timely corrective action. A notice under this subsection is not a prerequisite to court action under sub. (c).
- (c) Initiate action in court to enjoin an apparent violation of the EASEMENT. The action may include a request for an ex parte restraining order or temporary injunction, as circumstances may warrant. The court may enjoin the violation, require appropriate corrective action, award costs, and grant any other relief to which the HOLDERS may be entitled.
- (2) No failure on the part of any HOLDER to enforce any term of this EASEMENT shall discharge or invalidate the term or any other provision of the EASEMENT or affect the rights of the HOLDERS to enforce the EASEMENT in the event of a subsequent breach or default.

N. AMENDING THE EASEMENT

- (1) The terms of the EASEMENT may be amended with the written consent of all of the HOLDERS and all of the persons who own the COVERED LAND. Any amendment of the EASEMENT must submitted to the Dane County Zoning Committee for consideration following at least one public hearing. An amendment under this subsection does not include an amendment that extinguishes the EASEMENT.
- (2) The HOLDERS may give their consent under sub. (1) only if the amendment is consistent with the purpose of the EASEMENT, does not affect the perpetual duration of the Easement and does not materially weaken the EASEMENT to the detriment of the HOLDERS.
- (3) The HOLDERS may withhold their consent under sub. (1) in their sole discretion, and are not required to justify any withholding of consent.
- (4) An amendment under sub. (1) is not effective unless it is in writing, and signed by all of the persons who are required to give their consent under sub. (1). A signed written amendment takes effect when signed by all parties and recorded with the county Register of Deeds in the county where the COVERED LAND is located.

O. TERMINATING THE EASEMENT

The EASEMENT may be terminated at any time by court order if all of the following apply:

(1) The purpose of the *EASEMENT* can no longer be achieved because of a material change in circumstances, or because of a lawful application of eminent domain authority. A change in the value of the *COVERED LAND*, or in an owner's intended use of the *COVERED LAND*, does not constitute a material change in circumstances under this subsection.
