Call for Ideas and Priorities for 2025

To gather input effectively, as we discussed at our last meeting, I have sent a Google Document where EOC commissioners can share ideas and recommendations. These submissions will guide our planning discussions and ensure that our work remains focused, impactful, and community-driven.

Next Steps

We will discuss the ideas during our next meeting to finalize our priorities for 2025. Your contributions are crucial in ensuring our work remains meaningful and aligned with the needs of Dane County residents.

Thank you for your dedication and commitment to equity and justice. Please don't hesitate to reach out with any questions or additional thoughts.

Best regards,
Chelsey
