# **AIR SERVICE PROMOTION AND MARKETING AGREEMENT**

**Dane County Regional Airport  
American Airlines, Inc.**

**THIS AGREEMENT** is between Dane County, a Wisconsin quasi-municipal corporation, (“County”) and American Airlines, Inc., (“Airline”), a Delaware corporation.

## **RECITALS**

1. The County has determined that it is in the public interest to offer enhanced service and convenience to the community by maximizing the number of non-stop flights to major market destinations offered by scheduled commercial air carriers operating at the Dane County Regional Airport, (the “Airport”).
2. The Airport, in recognition of the high level of competition within the air transportation industry aimed at attracting new air service and the financial risk faced by commercial air carriers in establishing new air service destinations in markets such as that served by the Airport, has established a Community Air Service Support Program (“CASSP”) under which scheduled air carriers may qualify for fixed term fee waivers and marketing assistance in the promotion of non-stop flights newly offered from the Airport to major domestic market destinations.
3. The Airline is introducing at the Airport, on or about June 18<sup>th</sup>, 2026, daily round trip air service between the Airport and Boston, MA’s Boston Logan International Airport (“BOS”), a Top Ten Market (as that term is defined in the CASSP) which is not currently served by a scheduled commercial airline operating at the Airport.
4. The airline desires to obtain promotional assistance for the above-described non-stop air service through CASSP.

## **AGREEMENT**

Accordingly, the County and the Airline agree as follows:

1. This Agreement is effective on the date it is fully executed and expires at 11:59 p.m. on June 17<sup>th</sup>, 2028, unless it is terminated upon thirty days written notice by any party or as otherwise provided in this agreement.
2. This Agreement is effective only so long as the Airline remains a party to an Airline Operating Agreement and Terminal Building Lease with respect to its operations at the Airport and shall terminate immediately and without further notice in the event of default by the Airline under the provisions of said Airline Operating Agreement and Terminal Building Lease, including, without exception, those provisions addressing nondiscrimination, affirmative action, and handicap accessibility.
3. The Airline shall, on or about June 18<sup>th</sup>, 2026, initiate non-stop round trip air service between the Airport and BOS. Airline shall provide such service at least four times per week by jet passenger aircraft having fifty or more passenger seats and shall

cause the schedule to be published in the Official Airline Guide. In the event the Airline does not timely initiate, or ceases to provide, at least four times per week, such non-stop round trip air service between the Airport and BOS, this Agreement shall terminate immediately and without further notice. Further, in the event Airline fails to timely initiate the above-described air service or fails to maintain such service for a period of 24 months after June 18<sup>th</sup>, 2026, Airline shall pay to the County all moneys expended by the County under the terms of this Agreement and the waiver of landing fees described in Section 7 shall end as of the date Airline fails to maintain such service at the required frequency. The provisions of this section shall survive the expiration or termination of this Agreement.

4. Until 11:59 p.m. on June 17<sup>th</sup>, 2027, the County shall expend up to \$150,000 for advertising and marketing for the promotion of the Airline's non-stop air service between the Airport and BOS. All promotional documents, publications, broadcasts, displays and other promotional material paid for under this Agreement shall prominently identify the Dane County Regional Airport as a point of departure or arrival for the subject air service. No less than seventy-five per cent, as calculated by cost of placement, of the advertising and promotional material paid for under this Agreement shall be placed with media with target audiences located within one hundred miles of the Airport. The remaining placements may be with media targeting audiences within the market area of BOS.
5. The County shall provide the Airline copies of a proposed media placement schedule and all associated art work or copy material for Airline's review prior to any media purchase.
6. Under no circumstances shall the County be obligated under this Agreement to expend more than an aggregate total of \$150,000 for media purchases.
7. Until 11:59 p.m. on June 17<sup>th</sup>, 2028, the County shall waive the right to collect from the Airline landing fees incurred by aircraft engaged in providing non-stop air service from BOS to the Airport. The landed weights for aircraft that are subject to the foregoing fee waiver shall be reported as a separate line item in the Monthly Report of Air Carrier Traffic provided by the Airline to the Airport and shall be clearly identified as related to non-stop flights originating at BOS.
8. Notices, bills, invoices and reports required by this Agreement shall be deemed delivered as of the date of postmark if deposited in a United States mailbox, first class postage attached, addressed to a party's address as set forth below.

**COUNTY and

Dane County Regional Airport

9. In no event shall the making of any payment or acceptance of any goods or services required by this Agreement constitute or be construed as a waiver of any breach of the covenants in this Agreement or impair or prejudice the right of any party with respect to recovery of damages or other remedy as a result of such breach or default.
10. Amendment, modification or alteration of this Agreement shall be authorized and effective only if reduced to writing and approved and executed on behalf of the County and the Airport by the Airport Director and on behalf of the Airline by its authorized agent.
11. In the event of any disagreement or controversy between the parties, Wisconsin law shall be controlling. Execution of this Agreement by the parties shall be each party's acknowledgement that it is familiar with all laws, ordinances and regulations applicable to this Agreement. Venue for any legal proceedings shall be in the Dane County Circuit Court.
12. This Agreement is intended to be an agreement solely between the parties hereto and for their benefit only. No part of this Agreement shall be construed to add to, supplement, amend, abridge or repeal existing duties, rights, benefits or privileges of any third party or parties, including but not limited to employees of either of the parties.
13. The entire agreement of the parties is contained in this Agreement and this Agreement supersedes any and all oral agreements and negotiations between the parties relating to the subject matter of this Agreement.
14. The parties may evidence their agreement to be bound by the terms of this Agreement by one or more counterparts of this document, which together constitute a single document. A photocopy, facsimile, or electronic copy of this Agreement has the same effect as an original for all purposes. The parties stipulate that any such legible copy is admissible in evidence as the original itself in any proceeding, regardless of whether or not the original is in existence and whether or not such copy was made by a party in the regular course of business.

To evidence the parties' agreement to this Agreement, they have executed and delivered it on the dates indicated below.
