I am writing to express my strong support for the continued operation of the pit (K & D Stone). The pit has been an important part of our community and local economy. It has been there for a long time. As an Estimator (for a Construction company, they provide materials we rely on for building & development and helps keep things running efficiently without having to haul in supplies from faraway. I believe the pit can continue to operate responsibly without interfering with the goals of local economy.

I would like to see the Quarry stay open because I own my own Dump truck and K&D Stone Hires me to haul materials to different jobs. The Quarry helps me make a living. The Quarry helps keep costs down for local jobs in our area because we don't have the long hauling costs from pits out of the area. K&D Stone are responsible & safe operators and are great to work for.

K&D Stone has my support to remain open and operational. This business creates jobs and opportunities for people and for our community. It is literally the foundation for growth.

K&D stone is an asset to Dane County. K&D Stone has provided excavating services and aggregate materials to many places in Dane County including: UW Bakke Recreation, bike paths, apartment buildings, and DNR work. In addition, K&D Stone recycles materials such as asphalt, concrete and topsoil- All of which would end up in a land fill if it were not for K&D Stone.

Many small businesses depend on K&D Stone, including my own small dump truck business, HB Hauling LLC. Support small businesses.
