Conditions required (if any):

Town comments (if any): The Town Plan Commission noted that the Town of Blooming Grove Land Use Plan adopted in 2000 requires connection to public sanitary sewer. In the absence of a percolation test or available engineering expertise (on staff or on a contracted basis), the Town Plan Commission was not able to weigh in on whether to require, as a condition of approval, private onsite waste water treatment systems for each proposed condominium unit or connection to the available public sanitary sewer as part of their recommendation to the Town Board.

I, John Wright, as Town Clerk of the Town of BLOOMING GROVE,
County of Dane, hereby certify that the above resolution was adopted in a lawful meeting of the Town Board
on 8/12/2026.

Town Clerk John Wright **Date** 8/13/2026
