

Dane County

Minutes - Final Unless Amended by Committee

Area Agency on Aging Board

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

E. Reports to Board

1. State and Federal Report

Laura Langer of the WI Bureau of Aging and Disability Resources (BADR) reported Consolidated Appropriations Act, 2023. In December, the Federal Government passed the CAA and there were some very minor increases in funding for OAA program. We had hoped that congress would have allocated more funding to sustain many of our programs but it did not occur. We suspect that legislators noticed unspent ARPA dollars and did not forecast the future needs. Keep in mind the numbers below will fund all 50 states and Wisconsin gets to share these dollars with all 50 states. Funds are distributed based on the 60+ population in every state.

Administration for Community Living (ACL) – The bill funds ACL at \$2.5 billion, an increase of \$220 million above the fiscal year 2022 enacted level. This amount includes additional funding for: Senior Nutrition, Home and Community-based Supportive Services, Family and Native American Caregivers Services, Protecting Elder Rights and Preventing Abuse, Adult Protective Services Grants, National Long-Term Care Ombudsman Program; Direct Service Programs for People with Disabilities, and finally the Lifespan Respite Program.

The State is in the process of gathering information from all Aging Units/AAA for the federal National Aging Program Information Systems (NAPIS). The NAPIS report by ACL is to study the use and costs of OAA Services. Then DHHS makes a pitch to congress about Aging needs. Reporting is advocacy and we appreciate that Dane County was the first of the WI AAAs to have their data into the State Office on Aging.

Senior Community Services Employment Program participants are transitioning to host agencies for training to make them more marketable for permanent employment.
