5 **AUTHORIZING AGREEMENT WITH PELLITTERI WASTE SYSTEMS, LLC.**

6 The Dane County Department of Waste & Renewables operates the County's landfills,
7 construction and demolition recycling facility, and various other recycling programs and the
8 Department charges tipping fees for these services. The Department operates as an enterprise
9 fund and as such is required to cover all expenses with the revenue from these tipping fees.

10 Dane County Ordinance allows the County Board to approve contracts for disposal rates other
11 than those set forth in the user fee schedule with individual customers in order to guarantee
12 specific waste volumes which provides budget stability for landfill operations.

13 The Department of Waste & Renewables is recommending a 5 year contract, with one 5-year
14 extension, effective January 1, 2025, that establishes minimum tonnages requirements and
15 disposal rates with Pellitteri Waste Systems, LLC,
