1	2023 RES-378
2 3	AUTHORIZING AGREEMENT WITH PELLITTERI WASTE SYSTEMS, LLC.
4 5 6 7 8 9	The Dane County Department of Waste & Renewables operates the County's landfills, construction and demolition recycling facility, and various other recycling programs and the Department charges tipping fees for these services. The Department operates as an enterprise fund and as such is required to cover all expenses with the revenue from these tipping fees.
10 11 12 13	Dane County Ordinance allows the County Board to approve contracts for disposal rates other than those set forth in the user fee schedule with individual customers in order to guarantee specific waste volumes which provides budget stability for landfill operations.
14 15 16	The Department of Waste & Renewables is recommending a 5 year contract, with one 5-year extension, effective January 1, 2025, that establishes minimum tonnages requirements and disposal rates with Pellitteri Waste Systems, LLC,
17 18 19 20	Pellitteri Waste Systems, LLC 7035 Raywood Road McFarland, WI 53558
21 22 23	The total contract value is expected to exceed \$5,300,000 annually for the term of the 10 year agreement.
24 25 26 27 28	NOW, THEREFORE, BE IT RESOLVED that an Agreement is authorized with Pellitteri Waste Systems, LLC that establishes tipping fees for waste disposal at the County's landfills and recycling facilities, and
29 30 31	BE IT FURTHER RESOLVED that the County Executive and the County Clerk be authorized and directed to sign the Contract; and
32 33	BE IT FINALLY RESOLVED that the Department of Waste & Renewables be directed to ensure complete performance of the Contract.
