2024 Ideas

We've met with every Friends group in the last 3 years, except for these 4 locations/groups:

- Fish Camp (FOLKS, new accessibility improvements and LYRT)
- Pheasant Branch Conservancy (FOPBC)
- Ice Age Junction NRA (new group – Friends of Badger Mill Creek)
- Lower Mud Lake NRA (not a formal group, but a certified land steward there is doing leading volunteer workdays)

Parks that we haven't been to that do not have Friends groups:

- Brigham County Park
- Fish Lake County Park (former Ganser property)
- Sugar River Wildlife Area Davidson Unit
- Scheidegger Forest
- LaFollette County Park
